**Saturday Afternoon & Evening, September 1, 2018**  
**Alabama Theater, Myrtle Beach**

**Saturday, September 1, 2018**

Departure will be from the **back** parking lot of Winter Park Baptist Church as follows: This church fronts at 4700 Wrightsville Avenue. To get to the back parking lot, exit S. College Road (toward the east) at either Park Avenue or Peachtree. From Peachtree or Park Avenue you will see Pine Grove Office Park and Pine Grove Drive. WPBC’s parking lot is a pie shaped wedge between Park Avenue and Pine Grove Drive. You should be able to see the church’s bus and vans on that parking lot. If you are uncertain, please scope it out before September 1. The Cape Fear transportation Coach should be there after 12:30 also. (You may leave your car there as long as you know it is at your own risk. I will add we have been leaving cars there for day trips since 1995. We have never had a problem, but I cannot assure anyone their car will be safe.)

**12:30 PM:** Cape Fear Transportation Coach arrives for boarding. (If it is real hot, please do not board too early.)

**01:00 PM:** Motor coach rolls toward Myrtle Beach.

**02:30 PM:** Drop off at Duplin Winery for restrooms and seating for the wine tasting.

**02:45 PM:** Wine tasting begins.

**03:15 PM:** (or after tasting) Board coach to travel down the street to Barefoot Landing to be on your own to enjoy browsing the shops. (You will be given a map of the Landing while on the coach to help you pre-plan your visit.) During this time, you will have your evening meal at one of the eateries of your choice. The Flying Fish is next door to the Alabama Theater and lots of little places for faster foods.

**05:30 PM:** Arrive at the Alabama Theater for seating.

**06:00 PM:** Terry Fator performance will begin.

After the show, please visit the restrooms on site as there are few places to “rest” between Myrtle Beach and Wilmington. Board the coach as quickly as possible.

**Approximately 09:30 PM:** Return to Winter Park Baptist Church back parking lot.

**“Laughter is the best medicine.”**
